Class website: Google Classroom (Assigned by Class)

Coursework is designed to facilitate mastery of the Common Core State Standards and to help you become a better reader, writer, speaker, and thinker. Along this journey, we will enjoy compelling and rich fiction, non-fiction, with some titles like *Midsummer's Night Dream* and *The Giver*. We will also be working on several cross-curricular activities and place-based learning opportunities this year: WITS, PNW, and Maritime. We will improve your grammar, advance your vocabulary, increase your confidence, and prepare you for high school.

**1. Be here.** Be prepared, in your assigned seat, when class starts. You get three tardies/quarter, until you are referred to the office. If you fail to show up for class, you are putting your learning at jeopardy and attendance is imperative to your success. When you are absent, it is your responsibility to check Google Classroom and The Absent Binder for any missing work or handouts.

**2. Be Responsible.** Most of your supplies can stay in my classroom, but you need to be prepared always, everyday. All assignments are turned into the turn in tray. Have an outside novel to read at all times, as mandatory reading time will be assigned when we finish an assignment/project early. Each week you will be required to write in your planner the weekly homework and assignments, so you can keep track of your work. You can also find this all in Google Classroom on our weekly agendas. It is expected that all assignments will be turned in on time and promptly. All work given is valuable and offers insight to me on the growth and understanding of the student, based on their ability to reach state benchmarks and standards. The 7th grade team will accept late work **two weeks** after the assigned due date. Once the late work deadline has passed, no late work will be accepted. Assignments turned in after an absence will not be counted as late, but must be turned in timely upon return of an absence. If it exceeds the due date after an absence, (for example, if a student is absent 4 school days, they will get 4 school days to make up the work and not be counted late), then that assignment will be deemed late and receive the same penalty for late work. It is imperative that students not procrastinate and keep track of their assignments, being timely and prompt, turning everything in on time.

**Be Respectful.** You are expected to be courteous and respectful to all teachers, students, and guests. There will not be any swearing, name calling, or snide comments. Your cell phone must be turned off and stowed in your bag, unless we are using it for class or you're given special permission to use it. Otherwise, it will be sent to the office if misuse occurs. Respecting the

learning space, includes Chromebook, classroom, materials provided to you, books checked out to you, etc.

**Be Awesome.** Simply put, if you respect others, they will respect you. Be willing to be goofy, laugh, but also hard working and someone everyone enjoys being around everyday. Being a hard worker, a critical thinker, and willing to take risks makes my heart happy. If you do all of these things, you will love ELA.

## Academic Integrity:

The student's individually-assigned work must be their own. If a student cheats or copies work and claims it as their own work, the student will receive zero credit on the assignment/test. The student may or may not (teacher discretion) have the opportunity to make up the grade. A parent/guardian will be notified with concerns about questionable academic integrity.

I am here to assist your student with their learning and hope that you will help make this a positive collaboration for your student to be successful. Working as a team is essential in order for your child to be successful. However, it is your student's responsibility to communicate with their teacher's about missing assignments, making up work, and what they can do to improve their grades.

I am available **by appointment only (unless otherwise notified)**. Students are held accountable for their class work and behavior in class, and I hold them to this standard on a daily basis. If they need extra help, I am available first thing in the AM, lunch, and on an appointment basis for after school. You can always reach me by emailing me, as this is the quickest way to reach me. Check their planner's every Monday, where you will see what they are doing each week, and if changes need to be made, they will change accordingly in their planners. Also, you are free to access their Google Classroom, as well, to monitor our weekly agenda & access materials your student has access to, as well.

Detach and return to Mrs. Schroeder **by September 9.**
